To whom it may concern,

When I saw Lucio Baglivo performing "Solo Juntos" at TAC festival 2015 in Valladolid I was immediately convinced that this was the best show of the festival. His dance/acrobatic performance does have a lot of energy, power, joy and enthusiasm.

I had the opportunity to book him for my festival "Reuring" in the city of Purmerend (40.000 spectators), The Netherlands. My colleague Adrie van Essen did the same for his festival "Kunsten op Straat" in the city of Hengelo, The Netherlands.

It's worthwhile booking this talent for your festival. Due to the financial crisis/difficult circumstances in the cultural sector it's hard for talented people like Lucio Baglivo to perform as many times as they want and get a decent payment.

I hope your festival/venue will give him this chance. You won't regret it.

Best wishes,

Adriaan Bruin (Artistic Director festival Reuring, Purmerend, The Netherlands)
